

Sinclair Broadcasting's decision to force their stations to air an anti-Kerry documentary days before the election is a clear example of the dangers of media consolidation.

Sinclair uses the public airwaves free of charge, and is obligated by law to serve the public interest. What ever happened to the requirement to broadcast a balance of political views as one way to fulfill the public interest requirement?

The airwaves still belong to ALL of the people and we deserve to have the rules of use enforced. Stand up against one more abuse of FCC rules. Do your job of protecting our rights as broadcast media viewers.

Do not allow Sinclair this misuse and gross exploitation of our valuable airwaves. Please prevent this flouting of the law.
